

July 26, 2019

Dear Friend of Holy Trinity Athletics:

We are excited to announce that the HTC Friends of Athletics Sponsor Program will be continuing our TV Advertisement in the HS Gymnasium this school year. This program was established to provide resources for the HTC Athletic Board as we contribute to our athletic department to improve and expand the athletics programs in the Holy Trinity Catholic Schools System.

Once again, this fall sponsor's advertisements will run on a continuous scroll on our 75 inch HDTV screen in the high school gym. Your advertisement will be seen by over 5,000 people during the school year; during all HTC athletic events, God's Portion Day and numerous other activities and events held in the gym. Not only does this opportunity provide strong visual recognition for you, our supporters, but you will be helping to provide the resources we need to accomplish many unique things in our quest for excellence.

With an investment of \$300 and a JPEG / PDF HIGH RESOLUTION Logo, your business will be featured in the Holy Trinity Catholic gymnasium to show your support to our students and our school for the 2019-2020 school year. Your sponsorship money is invested 100% in HTC Athletics as we do not utilize an outside source to secure our advertising partners. If you have questions or would like to discuss in more detail please call Athletic Board President Tim Crabtree at 319.371.6507 or email [millwrit@mchsi.com](mailto:millwrit@mchsi.com).

Thank you in advance for your generous support and we look forward to showing you at Holy Trinity Catholic Schools as a valuable member and partner in the Friends of Athletics.

Very truly yours,

HTC Athletic Board
