

July 1, 2022

Dear Friends of Holy Trinity Athletics:

We are excited to announce that the HTC Friends of Athletics Sponsor Program will be continuing our TV Advertisement in the HS Gymnasium this school year. This program was established to provide resources for the HTC Athletic Board as we contribute to our athletic department to improve and expand the athletics programs in the Holy Trinity Catholic School System.

Once again, advertisements will run on a continuous scroll on our new 85-inch HDTV screen in the high school gym. Your advertisement reaches over 5,000 people during HTC athletic events, God's Portion Day and other activities held in the gym. Not only does this opportunity provide strong visual recognition for you, but you will be helping to provide the resources we need to accomplish unique things in our quest for excellence.

With an investment of \$300 and a JPEG / PDF HIGH RESOLUTION Logo, your business will be featured in the Holy Trinity Catholic gymnasium to show your support to our school for the 2022-2023 school year. Your sponsorship money is invested 100% in HTC Athletics as we do not utilize an outside source to secure our advertising partners. If you have questions or would like to discuss further, please call Athletic Board President Daniel Bendlage at 217-242-5298 or email [daniel.bendlage@trioak.com](mailto:daniel.bendlage@trioak.com)

Thank you in advance for your generous support and we look forward to show casing you at Holy Trinity Catholic School as a valuable member and partner in the Friends of Athletics.

Very truly yours,

HTC Athletic Board
