

Holy Trinity Catholic Schools, Inc.

SECTION 900 – BUILDING SITES

The policies in this section have been approved by the Merger of both Aquinas Schools and Marquette Schools in 2005.

The policies in this section have been approved by the HTC Board of Education as reviewed in 2010.

The policies in this section have been approved by the HTC Board of Education as reviewed in June of 2014.

Reviewed June, 2017

Policy 900	Building Sites
910.0	Asbestos Containing Materials
902.0	Building and Grounds Committee
910.4	Asbestos Containing Materials
911.0	Handicapped Accessibility

910.0 Asbestos Containing Materials

It shall be the policy of the Diocesan Board of Education that friable and non-friable asbestos containing materials be maintained in good condition and appropriate precautions followed when the material is disturbed for any reason. If there is a need to replace asbestos wrapped pipes or boiler covering, these will be replaced with non-asbestos containing materials.

Schools of the Diocese of Davenport shall implement the rules of AHERA according to school plan. Schools may work with their local AEA for training, planning and implementation.
