

Merry Christmas

JESUS IS THE REASON FOR THE SEASON!

DEAR HTC FAMILY,

We are halfway through the third week of Advent, which brings many of us great JOY! Students are elated to spend time with family. Teachers too are elated to capture some much needed R & R time. When we reflect and prepare the way for Jesus' birth, are we putting Christ at the center of it all? It's hard to balance life and provide the best experience possible for everyone. That is why the 4th candle is LOVE because no matter what we do, if it is done with Love, it will be putting Christ in the center of it all.

PRAY, LOVE, SERVE, CARE

PRAY

Thank you for sending your child to HTC. Did you know we pray at least three times throughout the school day. We start our day with prayer and learn about the Saint of the day, followed by the pledge of allegiance. In addition we pray before lunch and after lunch, thanking the Lord for the food we have received. We end our day in prayer, that we get home safely.

LOVE

Love is seen and given everyday between teachers, students and staff. Several hugs and smiles are exchanged in the spirit of the Lord. There are times of tears, but they are quickly wiped away with an ice pack or bandage from our loving Mary Kay or Ms. Eileen.

SERVE/CARE

Part of our Catholic faith and tradition is of service. We incorporate this virtue into our daily routine. Our students enjoy serving others in a variety of ways. Upper elementary help around the school with recycling, and lunch clean up. Everyone partakes in our festivities of service. (Reverse Advent, raising money for The Honor Flight, Operation Christmas Child, Christmas for Kids, and a Veterans Day Celebration), just to name a
