**EARLY CHILDHOOD CENTERS**

Holy Trinity offers early childhood education in Ft. Madison and West Point. Our teachers and staff are dedicated to providing our youngest Crusaders with high standards of early education in a safe and nurturing environment. Our programs include 3 year old preschool, 4 year old preschool, and pre-kindergarten.

Each program is designed to encourage intellectual, spiritual, emotional, social, and physical development, according to the philosophy and objectives of Holy Trinity Catholic Schools.

Growth and development flourish, as each child is encouraged to explore new surroundings and develop creative expression. Through curiosity, free play, and new learning activities, a child's self-esteem and self-confidence are promoted, and social and language skills are developed.

Holy Trinity is faithfully and financially supported by the parishes of Holy Family, St. James', St. John's, and St. Mary's. We greatly appreciate their dedication to our educational system.
